LEST WE FORGET

Pat Nock, Val Tuck, Noeleen Fielding,
Kate Shaw, Beryl Turner, Bernice Germanste

After asking if anyone would be interested in knitting/crocheting poppies for ANZAC Day, our local craft groups have been busy doing just that. Was great to get the girls in for a picture and show us the work that they have done so far, and fitting that the PCN could post this for our November edition as we celebrate REMEMBRANCE Day on the 11th hour of the 11th month. We have over 100 poppies to date and aiming for our numbers to be in the thousands. Want to be part of it - come and see us at the CRC.

Pemberton Community News

I was getting ready for work the other day and putting in my EDD's (your what??), my everyday diamonds and had to stop and ask myself, what indeed are my every day diamonds. Well of course there is family and friends and this place in which we live. But there is more, much more that constitute our every day diamonds.

As we got involved in the 100 year celebrations October 11-13th, I asked those travelling on the Pemberton Peace Day Train if they knew why they were there. We talked about November 11th and the meaning of Armistice Day and I realised that we were having an every day diamond moment. I asked the happy travellers to think about the people of 1919 Pemberton and what must have been going through their minds as they celebrated one year of peace, and how remembering that could make a difference in our lives today. There doesn't seem to be the same emphasis on Remembrance Day today as there was in the past, so I will make a point of stopping for one minute on the 11th hour of the 11th day this November, no matter where I am. I will be at a meeting on that day, so it will be interesting to see how I get on and if anyone questions me. If they do, how will I answer?

It is great to have Kelly back in the office after her 2 week break and we are playing tag team with me being away for a couple of weeks. As I am writing this I can't wait to be home again, there really is no better place than home.

There are lots of new things happening in November which you will find noted here in the PCN. Read up for all the things that you will want to be involved with and the ways that you will be able to benefit the community including the new initiatives of the Vic Conte Community Garden. The inaugural Pemberton Produce Market will be up and running on the 23rd November and will then move to the 2nd Saturday of the month on the alternate weekends to the Garden Busy Bee. There is also the off shoot of the Community Garden, the Pemberton Community Exchange. This is a community service and one that the CRC trusts will be used with the right spirit in mind, one of generosity and respectfulness.

This is the time of year where AGM's are being held and everyone is being asked to do more and contribute more. If you feel you would like to help your community grow and prosper, put your name in the midst and join one or more of the wonderful hard working committees that keep this amazing town ticking over by supplying opportunities, events and services. You can make a difference.

And getting back to our EDD's, we can be the every day diamond in the lives of our community as we show kindness, patience and respect to all. We love having people give us a wave or say hello as we wander up and down the main street, and to some this can be the difference between a not so good day or a great day.

Profession:
Wildlife Conservation & Hospitality

By Gwen Wenli, Contributor & Yoga Teacher

This is a friendly face that you have most likely come across at some point pouring you wine or serving you tea/coffee in town. Ebony is a self-empowered young lady living life to the fullest. Not only she is dedicated in creating a more positive world for the environment and wildlife, she believes in the dangers of Climate Change, and is a zero-waste advocate. She has let her environmental ways influence the way she chooses to see the world.

Ms. Ebony Williams

◆ **Profile**
WILDLIFE VOLUNTEER & WAITRESS
 Hobbies: Playing the piano and studying the environment

Work Description

- Volunteering as a wildlife carer fulltime
- Waitressing on the weekends

1 Day's Schedule

Caring for animals include feeding them early in the mornings, possums get a nice veggie platter, and I grab myself a coffee at the same time	I head to work waitressing with my mother till about 4pm	Wind down and prepping a hearty meal for the animals and have dinner
6:30	11:00	5:00 ~
		10:00 Sleep

Ups & Downs

It is fun for me personally to give a wine tasting to folks who get my humour- I love the tête-à-tête, I learn as much as they do during the wine tasting. It is an amazing experience when I receive a good compliment from genuine folks. It is most rewarding when caring for the wildlife and

seeing the animals grow and become a viable living thing that can now survive... from such a small bean. As a wildlife volunteer I do come across people who are quick to assume, and doesn't understand that some things are out of our hands, yeah that kind of sucks, but hey, it's part of the job.

Philosophy For Life

Take your time and go with the flow, Rome wasn't built in a day.

How does your life story fit with your work?

I have lived in Pemberton my entire life, and would like to think I know a thing or two about this town. I enjoy being in the customer service industry therefore waitressing comes naturally to me; interacting with everyone and the tourists, hearing them say how great each and every aspect of Pemberton is. Currently I am trying to complete my ATAR exams, and in 5-10 years time, I hope to be studying environmental science or something similar in University. Environmental and educating people about the environment are my major passion. After school finishes, I am hoping to pursue a career involved in educating the public about this gorgeous Biodiversity Hotspot that is the Southwest.

THE PVC RUMOUR MILL

China Desk Now you may remember me banging on about a thing called the China Desk in the September rag and probably dismissed it as just another ramble from those buzzing around the VC in their daily endeavours. Well I am pleased to set your mind at rest and report that things have been going apace with a collaborative effort between the PVC and the CRC to bring this to fruition.

In short, the China Desk is a PVC visitor information service set up within the CRC to provide interpretive representation to Mandarin speaking visitor enquiries for the region and our member businesses. Pei -Chen who is often seen tearing around in that little red rocket of hers, is fluent in Mandarin and will provide this service. She is well across the task having established email addresses and a direct phone line to her whilst also receiving training in the PVC to bring her up to speed with all things tourism. There would not be much point in steering enquiries from our northern neighbours through our digital portal to Pei-Chen if we cannot give them the information they require to make that inevitable decision to visit us in Pemberton. The link for the China Desk and Pei-Chen will simply be hellopeichen@pembertonvisitorcentre.com.au and her phone as the enquiry line will always be answered in Mandarin.

That said, I would think that in the next fortnight we will be busy planting links in Mandarin on the PVC website and our participating member's web sites plus exploring ways to enter that as yet untapped market, to us anyway, on our northern shores.

I can hear the groans from where I sit as you view this logo and prepare yourself for yet another blurb about our caravan park but some things just need to be said about how we are progressing down at the park.

We have been quiet of late about park matters and the scope of works undertaken with many now complete, mainly under the tireless hand of Steve "Mr Fixit" Zemke. Industrious is a word easily attached to Steve's input at the park and from this poorly run down facility with an equally poor reputation has arisen a jewel of which the town can be proud. Following that mammoth Busy Bee just before last Christmas, Steve with the odd helper has been whittling down the to-do list and is now turning his hand into creating overnight accommodation for our night caretaker when Aaron has his days off.

But the park is not just about how it looks as it also needs a happy industrious team to run it and we have that in spades with our current staff. Of course measuring our performance on a "How did we go" basis is easy these days with social media and forums such as Trip Advisor to keep operators on their toes. Having helped out at the park in recent times, it's a revelation to hear travellers wax lyrical about what we have on offer and the service delivery they enjoy whilst a guest at the park. Trip Advisor is useful but we also have within our web site the ability for customers to leave comment direct so that we can bask in the glow of a job well done or respond if certain things are not as they should be. This has proven a useful tool for the park and comments are responded to by our Park Host to recognise the input of our guests at the park.

Following are some recent posts by guests....

Beautiful surrounds. Heaven if you like Ducks and Parrots

Fantastic stay, camping at Pemberton Caravan Park with 3 kids. The site is well maintained with decent shower/toilet facilities and has a really friendly vibe. It's a decent size and walking distance to everything in Pemberton townsite. Would definitely return!

Beautiful park, central to Pemberton Tourism Hotspots

We really enjoyed this campground. Staff were lovely and helpful, grounds were well kept and the scenery was beautiful.

Although not fancy what was there was well maintained and clean. Quite a laid back little place perfect for families.

We would definitely go back again

Of course we are not perfect and the next serious project is to upgrade the roads within the park which are well beyond their use by date so stay tuned.

Karri Kiosk: The oldies in town will remember this name as it is the original name for the kiosk at the pool. Well, now that Pippa and Jamie have turned their efforts to their new café Source, we have a new and young entrepreneur in Jennifer Peet who has taken over the reins, given the kiosk back its name and will be offering treats on a regular basis to those who visit this beautiful park.

For those who don't know the multi talented Jennifer, she arrived in Pemberton just on a year ago with her family who are establishing a life amongst us being involved in all sorts of community initiatives. Jen, as she is known is young, energetic and talented. If you are fortunate she just might give you a song with your ice cream or coffee as she is a dab hand with the ukelele and gifted with a fab voice.

We wish Jen and her Karri Kiosk all the success she deserves.

John Gaunt

Monthly Prayer

Dear Father God,

Sometimes we have such grand thoughts about how great we are and how important we are in the scheme of things and pride gets the better of us. In common with many others in many places, we don't even think of You and all that You have done – thinking we are the masters of our own destinies.

In reality, You made us and sustain us – every breath and every heartbeat is in Your hand. You control our destinies. Forgive us Father that we so readily dismiss Your importance and are so proud as to think we manage on our own.

Like the Puritans of yester-year we pray...

Destroy in me every lofty thought,
Break pride to pieces and scatter it to the winds,
Annihilate each clinging shred of self-righteousness.
Open in me a fount of penitential tears,
Break me, then bind me up.

We fall at Your throne and confess our sins of ignoring You and thinking we are self-sufficient. Help us to search for You and to find You and give You Your rightful place in our lives. We ask in Jesus' Name, Amen

SOUTHERN STRIKERS SOCCER CLUB

We are heading into the fourth week of fixtures of the 2019 soccer season. There is another set of games to be played in Northcliffe and a general bye due to the Bridgetown Blues before Pemberton host their hubs on Saturday November 16 and 23. We will also be hosting a few mid-week games which ensure that each Premiership Team plays each other equally. This year the Bannister Downs Cup Final will be hosted by the Manjimup United Soccer Club at Deanmill Oval.

We have had great registration numbers this year enabling us to provide a team in each age group as well as two in the U11s. With the first round for all age groups now undertaken the club appears to be strong in all age groups this year and a lot of this is thanks to the coaches who volunteer their time and are a great asset to the club. This year we have Gemma Brown U7s, Paul Griffiths U9s, Paul Beck U11s, Dan Lister U13s, Peter Smith U15s and Frances Mazarolo U18s.

Go Strikers!

Definitions

Bush Land: Land other than pastured or grassed land including plantations of less than 8 hectares.

External Boundary: Means the external perimeter boundary of contiguous land contained within the same ownership, irrespective of whether it contains one or more allotments.

Fire Break: Means a trafficable portion of land being the prescribed width and height and clear of all flammable material, litter and forest fuels.

Flammable Material: Means accumulated fuel (living or dead) such as leaf litter, twigs, bark, dead trees and grass over the height of 100mm and anything deemed by an Authorised Officer to be capable of combustion. Flammable Material excludes cultivated plants located in gardens, fruit or vegetables plants, live standing trees or approved structures.

Forest Fuel: Is any combustible material, dead or alive, in isolation, in clusters or aggregated with other combustible materials. It includes but is not limited to vegetation both on the ground and suspended leaves, sticks, fallen branches, twigs and bracken. This definition excludes live standing trees.

Fire Season: Means the period of time set out as the Restricted and Prohibited burning season and any variation. When applying "Fire Season" to the summary of requirements for your property the start dates are (Zone 8 - 11 December 2019 & Zone 6 - 18 December 2019).

Grassed Land: Land used for the purpose of grazing or cropping.

Litter: Means leaves, small sticks, twigs and branches immediately above the soil surface.

Live standing tree: Means perennial plant having a permanent woody, self-supporting main stem or trunk, usually growing to considerable height and usually developing branches at some distance from the ground. Live standing trees exhibit a distinct crown of foliage with a stem diameter at breast height of at least 100mm. A live standing tree will continue to have sap movement along the cambium layer (layer of living cells) located under the bark.

Plantations: Land upon which any pine or eucalypt species of tree is planted on an area exceeding 8 hectares.

Plantation Boundary: Shall mean contiguous parcels of land under separate ownership, lease or any form of contractual or financial arrangements whatsoever.

Town Site Land: All land located within the gazetted townsite boundaries of Manjimup, Pemberton, Northcliffe, Walpole, and Settlements of Jardee, Palgarup, Quinninup, Nyamup, Windy Harbour and Deanmill.

Trafficable: Means a portion of land free from overhanging trees, limbs or vegetation or any other natural or man made object to a vertical height of 5 metres, traversable by a large fire fighting appliance.

Park Land Clearing: Means the removal of forest fuels whilst leaving live standing trees and predominate vegetation so as to maintain a reasonable forest fuel load at the required standard or below.

Zoned Land: Means all land described in the *Shire of Manjimup Local Planning Scheme No: 4*.

The new **Pemberton Community Exchange** speaks for itself and we can only applaud you for getting on board so quickly and with such enthusiasm. As the summer picking season comes on we can see that you will have fun exchanging your produce and books or just being able to leave some for those who might be in need. Thanks for your community support.

Looking forward to the first **Pemberton Community Market** November 23rd. Book your stall early as we only have 3 marquees as yet. We can see 2 stalls to a marquee so first bookings will be undercover. Stalls are \$15 each and if you don't get a table and a marquee you will need to bring your own set up. The Uniting Church will be holding a car boot sale, and with the CRC cooking a BBQ breakfast, there should be plenty of reasons for you to come down to the garden. Come down early to set up your goodies and produce as stalls will be open for sales from 8-11am. Come on, you know you want to.

Following this, market days will be held on the alternate 2nd Saturday of the month to the Pemberton Community Garden Busy Bee.

Blue Dot Army Long Table Lunch

Having introduced Blue Dot Army and Crystal Howrie at the Pemberton CRC's inaugural Day Out for Women event in 2018, we have been asked to host a **LONG TABLE LUNCH (LTL)** for this group who has gone on to become a recognised charity and is doing fantastic work. With their partner the Metro Hotel they are now able to deliver cancer treatment "at home" to rural and regional patients. This allows the patient to have family with them away from the clinic as their treatment is administered.

Blue Dot Army takes a human centered, research-based approach to deeply understand the personal experiences of people affected by cancer and those who support them to identify the biggest opportunities for change. They partner with like minded cancer organisations and wellbeing advocates to achieve this. **Blue Dot Army** was established by Crystal Howrie, after her own experience with cancer left her determined to change the processes and improve the service experience of those undertaking cancer treatment. 'Blue Dot' represents the small tattoo a person with cancer must have to accurately guide the radiologist to administer radiation treatment. For many it is a painful and permanent reminder of their cancer experience. 'Army', represents the people who provide support to those with cancer – advocates, partners, volunteers etc. The butterfly is symbolic of change and represents endurance, hope and life.

This is a limited places lunch - 20 only. There are 6 LTL's happening at the same time across WA and Melbourne and we are very privileged to be a part of it. Book your place now by contacting the CRC.

Lovely Lavender!

An aunt of my mother's had this unusual, funny (or embarrassing?) story to tell. Great Aunt Mabel certainly did not think it embarrassing and retold the story at parties and gatherings with great enthusiasm and delight. It no doubt provided entertainment for the guests, and those who had heard it before, would prompt her to repeat the event. The younger generation found it more than just amusing.

Aunt Mabel considered herself attractive in her hey-day—claimed she always expected and received compliments and a second glance from her male counterparts. She had a flair for dressing quite elegantly and considered herself the envy of other ladies. Friends rallied around her in admiration and often consulted her when special events required formal dress. This should give one a good idea of this flamboyant personality; but wait until you hear the story.

The story started when Aunt Mabel recalled a "very important appointment in the City. Meticulously dressed in her new chic sleeveless outfit, she boarded a City tram which was very crowded. She was compelled to take standing room downstairs in this double-decker tram, afraid to stumble on the stairs. Besides, she did not want to ruin the high heels of her genuine leather sandals! Holding firmly onto the chrome bar overhead to maintain her balance, she kept her feet apart and was quite comfortable. Her bag, made of crocodile skin, was slung over her left arm and we could imagine how she flashed the fold and diamond rings on almost all her fingers. Aunt Mabel added that her 'Dior' inspired attire fitted her figure perfectly and she sensed that all eyes were on her as usual, (unbeknowing for a different reason may I add).

Apparently Aunt Mabel had turned down the offer of a seat from more than one gentleman. In hindsight, she thought that it was indeed foolish to do so. A few minutes into this (show off) balancing act, trying to remain steady, she noticed several commuters who were facing her, were smiling.

Thinking they were unusually friendly, Aunt Mabel returned the smiles. Gradually the smiles turned into giggles and glances towards her upstretched arm which was holding

onto the overhead rail. She took a quick look there herself and to her surprise (never horror or embarrassment), spotted a blob of soapy foam in her armpit! Pretending to have missed her stop, she immediately rang the tram bell and hurriedly got off at the next stop, almost tripping as she stepped onto the pavement.

Dear Aunt Mabel never reached her appointment that day and we never asked where she was going in her finery. She explained the mystery of the foam blob with laughter gesticulation. We waited for the story to unfold.

Unbeknown to her, a tiny piece of lavender scented soap had remained lodged in her underarm while taking her morning shower. This turned into the foaming blob seen by the amused commuters—an unusual display on a finely dressed lady! Being both proud and humorous she claimed she did not feel bad at all. According to her version of the event "there was lavender scented perfume wafting throughout the lower deck of the tram". It actually masked the putrid smell of tobacco and cigarettes given off by smokers. As hard to believe as it is, Aunt Mabel's story still remains unchanged today.

In those early days after World War II, mother explained there were very few, if any, personal deodorants on the market. Some people applied sweet scented toilet soap. We often wondered whether that was Aunt Mabel's old fashioned solution as well! We will never know and the story has been heard by so many. One thing for sure, Aunt Mabel had a unique way of getting attention and keeping her audience entertained.

I hope you have been amused by Aunt Mabel's lovely lavender too!

'CHARLIE BURNS'

His Life and Times

On the 21st November the book 'CHARLIE BURNS, his life and times' will be launched at 'Charlie's' in the Pemberton Hotel from 5.30 to 7.30pm. Where else should it be? So all people who remember Charlie are welcome to come and recall this remarkable man who loved Pemberton and the surrounding forest and wildlife. Charlie was a brilliant man on the football field, a splendid horseman and a man with whom children loved to spend time. Few people knew that he came to Perth from the Kimberley in 1902 after his mother died. He was brought up by Frederick Slade Brockman's family and sent to Guildford Grammar School.

The book follows Charlie's life together with his time in both World Wars and his help to do such things as survey the railway line to Northcliffe, to bring back lost cattle, to assist any people needing help on a farm and even to rescue some children fishing when they were washed out to sea. It also brings in the historical features of the period from the confrontation between aboriginals and the settlers up north, to living in Guildford, joining the 10th Light Horse in WW1, helping the Warriors win the finals of the 1937 SW Carnival at Bunbury and becoming a splendid bushman at home in different shacks around Pemberton and Northcliffe. He was happy to be with us all.

The Mill Hall was the venue for the 100 year celebrations of the old School Building held on 11-13th October. This venue was perfect for the celebrations and added to the nostalgia of the whole weekend with the Sundowner, photo displays, movie screening, old-time dance, combined church service and the Sunday roast.

Pemberton District High School P&C ASSOCIATION

Pemberton District High School P&C
would like to thank....

for \$1000 grant to conduct "Breakfast Club" every morning during Children's Week, from Monday 21st to Friday 25th October 2019. Deanne Ventris joined with the P&C, Meryl Giumelli and Vicki Barnsby to ensure a free, wholesome, nutritious breakfast was available each day. Cereal, fruit, bacon+egg toasties, yoghurt and fruit juice were just some of the food on offer.

The food was sourced locally from Fox Brothers Butchers, Pemberton General Store, Pemberton IGA and Crossings Bakery. The P&C would like to thank these businesses for their ongoing support to the school children and the "Breakfast Program".

Children's Week National Theme 2019

"Children have the right to good quality health care, clean water, nutritious food and a clean environment so they will stay healthy," is the message spread this week at Breakfast Club.

Students from Kindergarten to year 10 were invited and enjoyed the healthy breakfast choices. Teachers, parents and some of our sponsors were also spotted enjoying the morning. A child's right to health is particularly important because their developing brains and bodies can make them more vulnerable to certain health conditions. If they aren't healthy, children face barriers to claiming many other basic rights- like being able to learn, play and reach their full potential as they grow into adults.

The Pemberton P&C and local community were proud to be able to support their children during Children's Week to raise awareness about children's rights to good health. The P&C would like to thank their increasing group of volunteers. We won't name you, as you know who you are and we appreciate your time and support. Spring Exhibition 2019 'On the Edge'

Hello Dear Everyone. Another successful Spring Exhibition is behind us now with 647 through the gallery and over 300 visitors signing the visitors' book, and a good number commenting on the amazing exhibition and space - and we agree wholeheartedly! How fortunate we are to have this wonderful space, and how opportune to acknowledge the Pemberton Sports Club for fully supporting us over many

Ann Rice

years, from our first exhibition liaising with Janet Kemp who has been so accommodating and professional in ensuring everything works seamlessly for us. Nothing is too much trouble for her and the Club staff who are so helpful for the duration of the exhibition.

We exhibited 52 works including sculptures with 19 sales, 4 commissions and 1 pending. Warmest congratulations to Ann Rice for winning the Peoples'

Choice Prize and selling her work - a beautifully rendered acrylic of breaking waves at Windy Harbour.

This year for the first time our 'rising star' award went to Emily Griffiths for her thought-provoking portrait, capturing the theme 'on the edge'.

Congratulations Emily, PAG wish you every success in your artistic endeavours.

I'm sure you'll agree how privileged we are to have so many gifted and talented artists in this region. One of PAG's members, Louise Tasker from Manjimup,

category, and is holding the most stunningly beautiful exhibition at the Manjimup Gallery, open until 16 November. Louise will be holding a workshop on 5th Nov. Details of the workshop and her exhibition are included here.

Our Committee and Members want to thank all our wonderful sponsors and volunteers for all their support...we never cease to be amazed at the generosity of folk who make Pemberton the community it is.

At our AGM 2019 Office Bearers elected were Anna Czerkasow- Chairperson: Sue Fellows-Vice Chair: Jeanette Evill- Secretary: Jill Baker-Treasurer: Committee Members: Paul Nolan: Elaine Steele: Joy Head: Kerri Slaven: A brilliant committee, all planning for our next exhibition in 2020!. So it's all hands on deck!

Warmly.

Jeanette Evill

Perth Trail Series

Pemby Trail Fest returned for its second year, along with hundreds of runners from down south, Perth, interstate, overseas and locals. Perth Trail Series held 5 events over 3 days with a twinkling 'Karri Nights' Race on Friday evening around the Pemberton Pool, the 'Dam Dash' Half Marathon that involved a visit to Big Brook Dam for the keen 21 ker's and a challenging and rewarding 10 k course for the Forest Products Commission Frolicking Rainbow Run. Sunday saw an Ultra Marathon, including a trip around Gloucester Tree and a 16 km

'Goucesterades' Run.

Many runners participated at every chance they got and ran in 3 events over the weekend. Mountfords Winery/Tangletoe Cidery helped them cool down at the celebrations on Sunday with wine and cider and gave the adults something to do while they watched their kids participate in a Free Kids' Race. With a 2 km course mapped out for the kids, some of whom were only 3 years old, the kids charged around their flags conserving little energy and yet finding more, with multiple continuing on past the 2 km mark and running upwards of 10 km!

Pemberton to host the WA XCM State Series Finale

The community got a taste of Perth Trail Series and have another big event on their calendar for hosting some enthusiast trail lovers. The 'Pemby G83 MTB' is the final event of the WA XCM State Series. The event will bring riders to Pemberton for the event and the final celebrations to finish the year. Distances are 83 km, 50 km and 28 km through the magical Karri forest.

A mountain biker is riding through a lush green forest. The rider is wearing a white and red jersey and a helmet. In the top right corner, there is a gear-shaped logo with 'G83 MTB' inside. In the bottom left, there is a large text overlay: 'PERTH TRAIL SERIES OWNLISE YOURSELF', 'PEMBY G83 MTB', '16-17 NOVEMBER 2019', 'Western Australia', and '83km 50km 28km'. At the bottom right, it says 'SPONSORED BY' with logos for 'Forest Products Commission' and 'WOODHOCK'.

To make the event a success, 12 volunteers are needed to help out in marshalling positions along the course. You only need to stand (or sit) in position and make sure the riders go in the right direction. It's a lot of fun and you are helping bring people to Pemberton. Please contact Mark Hudson 0429384800 if you can help out.

PCCI Life Membership for Toni Dearle

This is the citation read to Toni for her dedicated service to the Pemberton Chamber and Pemberton over the past 12 years. For 10 of the 12 years that the Pemberton Chamber of Commerce has been in existence Toni Dearle has been the secretary. She was the inaugural secretary when the chamber was formed in 2007 and in her first year was given the enormous task of organizing the Pemberton Autumn festival as part of the Pemberton Events Association as well as performing her secretarial duties. She served under a number of chairmen from Bernie Ryan who in 2009 became the Executive Officer and was involved in the Bike Victoria Event. Trevor Jacob, Paul Moltoni, who was involved in attracting Targa South West to Pemberton, Geoff McGrath, Maxine Fisher, Roger Bettoni, Noeleen Collings and Ardal Nigg. Toni had a brief two year respite from her secretarial duties during Maxine's period as Chairman. There is no doubt that Toni has served the Chamber exceptionally well over the 12 years balancing the Chamber work with the requirements of her own business as well as raising her family. The Committee of the Chamber have recommended that Toni Dearle be granted Life Membership. This was endorsed at the recent AGM where Toni stood down as secretary but remains as an active member along with being a tourism representative on the committee on the recently formed Southern Forest Tourism Board.

Pemberton General Store Grand Opening

THANK-YOU to all the locals and visitors that attended our Grand Opening on Sunday 29th September. We held the event in the new car park and it was packed from 10am to 2pm with children and adults alike all making use of the free activities including a bouncy castle, face painting, giant Connect 4, Jenga and chess set. There was music pumping and although due to fire season DJ Damage couldn't attend on the day, his side-kick Bianca Eleuteri did a fine job playing some old and new tunes. At 11.30am we had the Shire of Manjimup President Paul Omodei officially open our new store and it was great he made the time to attend.

We would like to thank the Pemberton St John Ambulance and Volunteer Fire and Rescue volunteers for each providing a vehicle for the children to explore. They both provide an invaluable service to the community and rely on volunteers to keep running effectively. Thank you also to those who purchased a sausage sizzle or cake provided by the Southern Strikers Soccer Club who raised over \$200 which will go towards purchasing new equipment for training.

Most of the children who attended were able to take a free gift home through the generosity of the Manjimup branch of the Westpac Bank who provided money boxes and our Coca-Cola rep who provided Coke bat and ball sets and we added some goodies we had stashed away.

Thank you to those who made the event a success - Colour Me Face & Body Art by Tammy Messer, Cloutz Event Hire, DJ Damage and our staff who worked on the day Steve, Sue, Jasmine and Darcy.

If you weren't able to make it to the Grand Opening and you haven't come down yet please pop on down we are open 7 days/week, 7.30am to 7.30pm everyday of the year.

The Pemberton Heritage and History Group held their AGM recently and Office Bearers are:-

PRESIDENT: Ros Piper
 VICE PRESIDENT: Sondra Reader
 SECRETARY: Deanne Ventris
 TREASURER: Jill Baker

The Heritage and History Group organized a very successful weekend of 100 year celebrations of the old School Building held on 11-13th October. The celebrations included a Sundowner, photo displays, movie screening, old-time dance, combined church service and a Sunday Roast.

The Heritage and History Group will be holding a **'Pemberton's Precious Pioneers' day in the Mill Hall on November 17th** to celebrate the lives of our past pioneers who have made Pemberton the beautiful place it is today.

10.00AM MORNING TEA & PHOTO DISPLAY
11.00AM MOVIE – 'THE WATER DIVINER'
12.30PM LUNCH
1.30 PM BUS TOUR OF HISTORICAL FARMS
3.30PM AFTERNOON TEA

All community members are welcome.

We would encourage you to become a member of the Heritage and History Group and be part of a group of people who are passionate about the history of Pemberton.

Please contact:- Ros Piper on 0467 479317 or Deanne Ventris on 0428 471197 for more details.

Nationals State Conference

At the Nationals WA State Conference a number of motions were debated by grassroots members. Our key commitments are to:

- Reinstatement of the integrity of Royalties for Regions
- Establish a Rural Health Commissioner
- Lift payroll tax exemption threshold for small business
- Reinstatement of financial support to regional childcare centres

Key positions are to:

- Acknowledge and develop regionally focussed policies to adapt and respond to climate change, with energy and agriculture being notable opportunities
- Endorse the Uluru Statement from the Heart, developed by the majority of First Nation leaders across Australia

Busselton Margaret River Airport

Congratulations to the City of Busselton on successfully negotiating direct flights between Melbourne and Busselton with Jetstar. This will support tourism activities across the whole of the South West. I call on the State Government to now drive advertising campaigns promoting the attributes of the region, and to honour their agreement to upgrade the terminal ensuring an attractive gateway to the region.

Palliative Care

The Nationals WA welcome the further investment in regional palliative care services. Palliative care has been underfunded in regional areas resulting in people having to travel long distances to access services. This puts pressure on the patient as well as family and friends at an already difficult time.

If everyone across the State is to have real choices about end of life, then we must ensure quality palliative care is available across the State.

Water

As the South West experiences a drying climate, secure access to drinking water is an important issue. Reducing our water consumption is the easiest way to address water shortage. Community engagement is critical if we are to develop long-term effective strategies to reduce our water use.

SAINT JOSEPH'S SCHOOL NEWS

Fundraising Car Wash

On the final Thursday of Term 3, the Year 5/6 class rolled up their sleeves and got ready to get wet and maybe a bit 'suddy' for a very good cause: a Car Wash service, continuing the schools fundraising efforts for a solar powered water pump for a village in a 3rd World country.

There was a significant queue of cars outside the school oval waiting to be washed as the morning began. Each car was carefully washed and dried before the owner of the car returned and donated their chosen amount for the car washing service. The morning was very successful with close to \$300 raised. We'd like to thank all members of the public who supported this very worthy event.

Grandparents/VIP Day

At St Joseph's we began Term 4 with our inaugural whole school Grandparents Day. This was a much anticipated event for both the students and their personally invited guests of honour. The morning commenced in the Library with a celebration in the form of a Liturgy dedicated to Grandparents, hosted by the Kindy/Pre-primary/Year One class.

Following the Liturgy, the students gathered up their special guest and escorted them to the hall, where a lovely morning tea awaited. The Year 5/6 students acted as waiters, while our Grandparents and other VIP's enjoyed a chat and took time to admire the student's artwork dedicated just to them.

After the refreshments was some hands-on fun and activities in the various classrooms. Grandparents, VIP's and students all carefully and happily worked together on a range of activities including creating portrait collages, photo frames, loving handshake messages or discovering more about a much-loved family member with an in-depth interview.

The morning came to an end all too soon, with many happy Grandparents and VIP's thanking the children for a wonderful and special time together that all will cherish.

OCTOBER AT PDHS

NUMERO

PEMBERTON DISTRICT HIGH SCHOOL

October has seen our students involved in an incredible range of extracurricular activities.

Thanks to the awesome efforts of Deanne Ventris, our P&C received a grant to offer breakfast to celebrate Children's Week. The tireless work of our amazing parent volunteers, Meryl our School Chaplain and Mrs Barnsby meant that our students enjoyed cereal, fruit and toasties provided for them every morning to fuel them for each busy day of learning.

Our school NAIDOC celebrations took place this month, with students participating in a range of activities each recess and lunch break to learn more about Aboriginal culture. Activities have included Indigenous style painting of totems and stones to go in our Bush Tucker Garden, card games to learn the Noongar names for native animals, a colouring competition and Dreamtime storytelling. Our Pre-Primary students also had a wonderful time dot painting with their Year 6 buddies.

Congratulations to Leila Martin (Y6), Isaac Lewkowski (Y5), Arabella Omodei (Y6) and Alec Smith (Y5) who represented PDHS in Bunbury at the annual regional Numero Challenge, a card game based around some very complex mental maths calculations. Overall they placed 10th out of 18 teams which is a terrific effort as the competition was fierce and the pace of the events was very, very fast.

This month our Year 9/10 Outdoor Pursuits class visited Pemberton Fire Station. Donna Virgo (DFES), ably assisted by volunteer fire officers Steve Wellburn and Michael Hennessey, led students through discussions and activities on how they could be fire ready in their homes, how the threat of fires can be gauged and also reduced, on being a volunteer fire officer, plus the role of the Fire Station and equipment. A big thank you to Donna, Steve and Michael for taking the time to work with our students.

How Times have Changed!

The following article which was reported in the *Manjimup Mail* on Friday 25 April, 1947, is an interesting example of how "times have changed" in relation to some of the vocabulary used in the article, and the form of entertainment that was popular in the 1940s following the end of World War II. At this time the "wireless" (radio) was the only form of media available. Picture theatres were popular and entertainment in the home for both formal and informal gatherings was the norm.

Golden Wedding

Celebration at "Finsbury"

Finsbury, the home of Mr. and Mrs. J. F. Kammann for over forty years, was the scene of a gay celebration on April 12, when about 50 friends and relatives gathered to congratulate them on the proud occasion of their golden wedding. Distant relatives were represented by Mr. and Mrs. Ferris of Sydney who were holidaying at Finsbury.

Card players were adequately catered for in the spacious library while games, community singing and dancing were enjoyed in the dining room to the strains of music by Mr. and Mrs. Weston.

Pride of place on the laden supper table was given to an exquisite 2-tier wedding cake. After the Loyal Toast, Mr. Red, who acted as M.C. called on Mr. Arch Chatley, and Mrs. Stephenson as old friends of the family, to propose the health of the guests of honour. Mr. Chatley paid eloquent tribute to the wonderful work accomplished by Mr. and Mrs. Kammann, and their beneficial influence on the district.

He was ably supported by Mrs. Stephenson, who conveyed the congratulations of the ladies present, and also the absent members of her own family. The toast was then accorded musical honours and amid much acclamation, Mr. Kammann was called upon.

Reminiscing over the years he modestly disclaimed any special abilities, but said he'd plodded along, and, under the smile of Providence, the place had grown.

He spoke of the almost unbelievable changes that had taken place in the district, since he and Mrs. Kammann settled here in 1906. and stressed the need,

in his opinion, for a strong white population in Australia.

The bride of 1897 cut the cake and music and dancing were resumed. Solos were rendered by Miss Rene Paddon who sang "I'll Walk Beside You" and "A kittle Love a Little Kiss," and Mr. Kammann who sang "Star of Bethlehm" and "O'Solo Mio" - both singers literally excelled themselves. Mrs. Weston acted as accompanist in her capable manner.

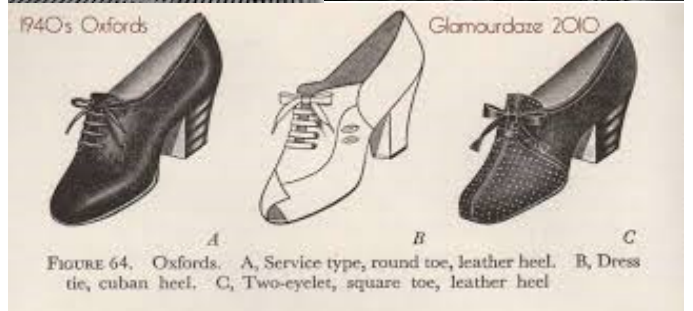

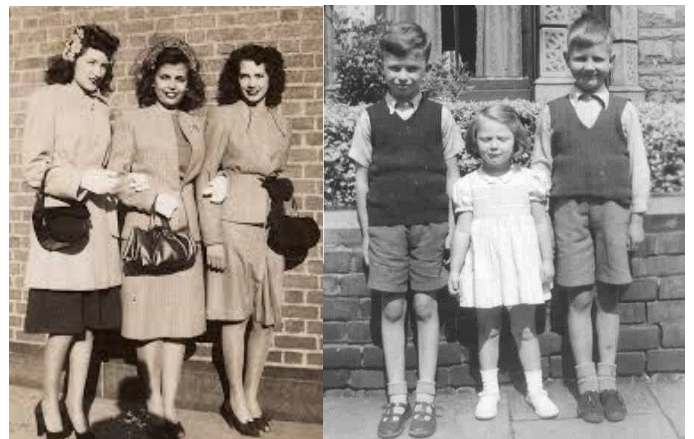

The singing of Auld Lang Syne in, the early hours of the morning brought the happy gathering to a reluctant conclusion.

Shire President's Message

Local Government Elections

At the first Council meeting following the Local Government Election on 19 October 2019, I was humbled to be re-elected as Shire President for a further two years and welcome Jayde Darin as Deputy President.

We have two new Councillors and three re-elected Councillors, congratulations to Susan Dawson Vidovich, Robert Taylor and Denise Jenkins in the Central Ward, Kenneth Lawrence in the West Ward and Councillor Kim Skoss who was re-elected unopposed in the North Ward. I warmly welcome our new Councillors, and give thanks to outgoing Councillors Lynn Daubney for 14 years of service to the community and Verrell Herbert for 4 years of service. Thank you also to all the candidates who nominated for these vacancies, your community commitment does not go unnoticed and I hope to work with you into the future.

For information on the election results visit the Shire website at www.manjimup.wa.gov.au/elections.

Fire Season

The regulated burning period for Zone 8 - Manjimup, Pemberton and Quinninup commences on the 9 November 2019.

If you haven't prepared your home and property for bushfire season and made your plan you need to do so now. The firebreak notice 2019/2020 should have arrived in your letter box and contains important information on the requirements for your property.

The penalty for non-compliance with the firebreak notice is \$5,000.

You are reminded that fuel hazard reduction burning is not an opportunity to burn rubber, plastic, furniture, and household rubbish.

Quinninup Tavern

Early in October I was honoured to be asked by Dale Atkins to officially re-open the Quinninup Tavern after a two year absence to rebuild following a devastating fire that destroyed the building in July 2017.

On Friday 18 October 2019 we cut the ribbon to officially open the brand new Quinninup Tavern, my congratulations go to Dale and everyone involved with the rebuild. The 'Quinny' is set to again become a gathering place for locals and travellers, with great food, cold beer and good old fashioned country hospitality.

Until next time...Paul
