Pemberton Food Production Garden Club – Inaugural Meet

Pemberton Community News

School holidays are here again, the last ones until, well you know what—The Christmas Holidays. This is crazy, October already and only 85 days until Christmas. I love this time of year, the build up, the anticipation, thinking about friends and family even more, if that’s at all possible, and yet it is still unbelievable we are at this stage of the year!

People are starting to buzz around town again with the warmer days ramping up, and while it has been great to get outside and enjoy, I do hope we get some more rain. There really is a lot happening and the last weekend in September was no exception. Market days, Grand Openings, the first of the “Food Gardening Club” get together. Find out more about this one in the CRC pages.

As the town gears up to come together on the weekend of the 11th—13th October, we are starting to see signs and posters appearing around town, and in the PCN, highlighting the events planned. This is big!! A 100 year celebration for anything is incredible, and we have two scheduled for that one weekend.

The **100 year anniversary of the “Old” Pemberton School** is really something. This beautiful old wreck of a building sets the tone for the main street and I have yet to meet anyone that doesn’t love something about it, even if it is just the memories. For those of us who have been involved in the “old” school, as a working school, find wonderful memories coming back of the noise, the laughter (and a few tears), the singing and recitation of the children of this town. As in all small communities, the local schools are where we find a lot of the sharing of community information as parents drop off and pick up children. I loved sharing moments with the Canteen girls (thankyou Bev Hammond for your tireless efforts) as we served up the yummy stuff from the “top building”, and watching the youngest classes deliver their performances in the back quadrangle.

The other 100 year celebration on that weekend is for Peace Day Pemberton—1919. As a still new town in 1919, Pemberton had done a lot of living and building, as evidenced by the work put in to lobbying the government of the day for a new school, and yet they still had time to celebrate something of such significance, we can only imagine that the people of the day would not have believed anything like what they had just passed through could ever happen again. As a town, Pemberton dressed up and celebrated one year of peace since the signing of the Armistice which saw the end of World War 1, the Great War. As we again as a town celebrate, this time 100 years since the folk of Pemberton saw fit to acknowledge that the first year of peace was significant, how much more important is it in our day. This would have been the beginning of what we now acknowledge as Harmony Day, with all people coming together to recognise and celebrate peace.

Ride on the Pemberton Peace Day Train with us as we remember and celebrate the lives of those you have lived, worked and gone before us. Deb

The PVC Rumour Mill

I refuse to bang on about the weather except to say it has been a wonderful start to the warm season, the jumper is back in the cupboard, the mower is working overtime and the paint brushes are out freshening up the property.

And to accompany the burgeoning explosion of colour in the forest and the trampling of visitors feet returning from the northern climes to the Southern Forests, we are pleased to welcome them all back to an explosion of Art & Craft in our region.

The Southern Art & Craft trail which features 86 exhibitions and studio openings running from Saturday 21st September to Sunday 13th October has something for everyone. This art fest which has been running for 17 years encompasses the great southern region from Pemberton through to Hopetoun and is a feast for those who enjoy the finer things that we as humans can create. Art, food and wine are included in this trail of delight taking in studios, galleries and wineries.

Southern Art+Craft
Trail 2019

For the first time Pemberton has been included in this trail with four exhibition/workshops running continuously over the three weeks and we wish the artists exhibiting all the success they deserve.

John Duncan with acrylics and watercolours is showing at his studio at 10 Dean St Pemberton open 9.30am – 3.30pm

Peter Kovacsy with glasswork, photography, sculpture and woodwork has an open studio at 89 Jamieson St Pemberton open daily 9am – 5pm

Marilyn Gibson has a ceramic painting workshop running at the Crossings Bakery from 10am – 4 pm daily ...and the Pemberton Arts Group's recently opened **On the Edge** exhibition is viewing at the Pemberton Sports Club and will be open 10am – 4pm daily

To be a Pemberton person one can only consider that we are somewhat blessed with the talent that lurks in our valley. Of course this dialogue would not be complete without discussing the rising star within our midst being one Emily Griffiths.

WOW! Is the best way to describe her work. Being just a tad talented, Emily goes and takes off her first prize at this PAG exhibition and gets a red dot for an investment by some wise person who now has an original of a soon to be collectable artist.

So if you love art or better still if you feel you should, then Pemberton at this time has a feast for you. With the quality of work on show if you have the time, or even if you don't, best make some and call down to the sports club for a look.

...and now you are in the mood make a day of it and make sure to visit the bakery for the two very good reasons of fine pottery being created alongside the delish smells emanating from the bakery and on offer to a hungry collector before visiting the others.

Source Kitchen

If you haven't heard the news on this I think it might be wise to get out a bit more. Pippa and Jamie have teamed up with their friend Aaron and three weeks later this motley lot pictured here, including a week of trading, have launched Source Kitchen on the main street.

A bit of an ask for us ordinary folk but not this lot and don't let the smiling faces fool you or fret about the menu. Serious Burgers are the main fare with other tasty treats but these are not your average burgers and best to take the taste buds for a visit methinks.

The ingredients and salads are fresh from Jamie's plot and the result is like no other. They have redefined the burger and the coffee aint half bad either. If waffles are your thing – yum plus other fancy stuff like smashed avo

And I hear someone say what about the **Fair Weather Dairy Bar** ?

....well, with spring comes the need for a visit to the pool and of course fresh coffee and all manner of delights to tempt the palate whilst having a relax in natures garden. Pippa and Jamie have served us well over the past two years at the park and not wishing to be seen to leave us rudderless, will keep the kiosk open whilst we find a new tenant. Somewhere else in this PCN you will find an ad for expressions of interest to run the kiosk. Interested??

VOLUNTEERING

You might have seen Michael Filby on the road on a Sunday with his lights flashing as he stops to pick up the rubbish along the highway. Mike gets up at 4am every second Sunday and drives the highways from Walpole, through Northcliffe and up to the Manjimup Shire boundary with Bridgetown on an 11 hour round trip. Funding is tight everywhere as we all know, and Keep Australia Beautiful only pay a token for this service, which means that Mike is doing this for less than peanuts. Thank you Mike.

But that is volunteering isn't it, doing things that really need to be done in our communities, and being prepared to do it for no reward.

We are always grateful for our volunteers, and the Pemberton Community News would welcome your volunteer stories. If you would like to submit a volunteering profile of yourself or a community volunteer you admire, get your story and pictures to pembertoncommunitynews@outlook.com

**COMMUNITY VOLUNTEERS
THE HEARTS OF OUR COMMUNITIES**

Vote – Roger BETTONI

Manjimup Shire Council Election – West Ward

- What is happening with the Pemberton Timber Mill?
- Pemberton still doesn't have a light industrial area. Why not?
- Wesfarmers is sitting on huge areas of residential freehold land in Pemberton. Why is this?
- Many leaseholders would like the opportunity to convert to freehold. How can we achieve this?
- Some landlords are overcrowding houses with backpackers at inflated rental rates. How are they able to do this?
- Where are we headed in the future?

It seems that some people can get away with anything, yet others are scrutinised for every little thing they do. It's about time we had a level playing field and got some straight answers! If you're as concerned about our community's future as I am, then I encourage you to support me so I can represent you in local government.

What an achiever. Kelly Thomson has completed her Certificate IV in Business in record time. This has been a feat worth mentioning as it has been a stressful time for Kelly as she has juggled working in the office and travelling to Bunbury to attend classes. We are so proud of Kelly and appreciate everything she does for us here at the CRC. She is such a calming influence amongst all the crazy that is part and parcel of operating a Community Resource Centre with limited staff and funds. Kelly has been here long enough to know how much she means to not only the CRC, but to all of you, our wonderful customers and members.

Congratulations Kelly

KEEP UP WITH WHAT'S HAPPENING AT THE COMMUNITY GARDEN—and beyond!!

LAST SUNDAY OF THE MONTH ACTIVITIES

You may have seen the Facebook post re the new “Pemberton Food Gardening Club”. No, well read on. What a great idea and thank you Charles Otway for your brilliant input. With the assistance of funding received from the Department of Communities and the Department of Primary Industries and Regional Development, the Pemberton CRC has introduced a new concept into the Community Garden. This sees the introduction of the Pemberton Food Gardening Club, bringing gardening to you. Whilst the Vic Conte Community Garden remains the community hub it has always been for all things gardening, the Food Gardening Club brings workshops and workers to your garden.

The first Garden Club meeting was held September 29th with an enthusiastic group showing up at Xander Graf's garden on Swimming Pool Rd. Charles kicked off with a workshop on fruit tree pruning and management, followed by activities to help Xander and Leanne get ready for summer vegetable growing. Being the first of this regular club meeting, there was a lot of flexibility on the day. Meeting from 1—3pm with some light refreshments supplied by the garden club participants and welcome hot drinks from our garden hosts Xander and Leanne, we are already looking forward to our next get together.

Next Food Gardening Club meet: Sunday 27th October
 Host Garden: Sheree Starling-Lee
 Time: 1—3pm
 What to bring: Water bottle, camera, closed shoes, long sleeves and gloves
 If easily accessible—hoes, loppers, handsaws, secateurs
 Small plate to share for afternoon tea

If you would you like to become a host and have us visit your garden, you can register at the Pemberton CRC at office@pembertoncrc.org.au or by phoning 97761745. Charles is also taking your registrations at charles@terraerperma.com.au

Become a member of the Vic Conte Community Garden—\$20 Family, \$10 Individual Membership of the Pemberton CRC entitles you to membership of the Garden

The other great thing happening as part of the funding received is the upgrade to the Vic Conte Garden itself and working on greater exposure from the main street. Working with the Uniting Church, who's land the garden sits on, the Pemberton CRC has proposed a new entrance statement on the corner of Dean and Brockman with an edible native garden bed and new pathway leading to the garden. The Uniting Church has kindly agreed to the concept and we will come up with a design for approval. Funding has also seen the purchase of new tables and marquees which will be used for our Community Produce Market days (which we anticipate holding every two to three months) and loads of new sawdust for the garden beds. We will also be working on new signage for beds and see the Vic Conte Community Garden becoming a great teaching tool for our community.

The Mill Hall is a new pin!

We recently had a very successful busy bee cleaning windows, painting the ladies toilets, weeding, general cleaning etc. Thankyou to all the willing workers who made it happen! To those who can't make it to busy bees etc. we thank you for your moral support and encouragement.

We have received some grant funding from the Manjimup Shire to continue with maintenance projects to keep the hall in excellent condition.

The AGM was held recently and the office bearers are:

- President Deanne Ventris
- Vice-President Warren South
- Secretary Joy Head
- Treasurer Anna Starkie

We would encourage you to become members of a fantastic organization consisting of a positive group of people who get the job done. It's great to have members for moral support.

Please contact me 97761757 or Anna Starkie on 97761219 for a membership form and details.

The Mill Hall is the venue for the 100 year celebrations of the old School Building coming up on 11-13th October. Have a look at the program in the PCN, on Facebook and posters around town.

The Mill Hall continues to provide a wonderful service to the community as a well maintained venue.

**MANJIMUP SHIRE COUNCIL ELECTIONS:
OCTOBER 19th 2019.**

West Ward Nomination.

Candidate Name. Julian Bryan Sharp.

I have lived and worked in the Manjimup Shire for 41 years, as a rammed earth builder, timber and horticultural producer and in the land care and natural resource management fields. I am current Chair of Southern Forests Community Landcare, executive committee member of the WA Landcare Network and secretary of Springfield Bushfire Brigade, among other community- based volunteering roles. I am motivated to nominate for the West Ward this election for many reasons, including building community cohesion, resilience and inclusivity, developing and promoting alternative sustainable rural industries, growing the local and regional eco-tourism industry, the retention of youth in our communities and creating meaningful and rewarding employment and educational opportunities for all.

Of overarching concern is the growing climate and ecological emergency that the Earth is facing right now. I believe it is imperative for local government to lead effective grassroots responses to these issues, and I feel that I have the passion, experience and commitment to work creatively and collaboratively with the Council and Council staff, the local community, industry and government agencies in addressing these significant challenges.

There is much to be done in building on the excellent work the Shire Council has achieved in response to the many social, economic and environmental issues our region and our communities are faced with. I feel that the people of our region are passionate and committed to contributing to the real and effective change and solutions we require for a safe and sustainable future, and believe that I can play an important part in that process by representing you on our Shire Council.

Thank you for your support.

Monthly Prayer

Dear God Our Loving Heavenly Father,

As Spring reveals, yet again, the beauties of Your creative handiwork all around us, it reminds us again of Your faithfulness. We want to sing, in the words of the old hymn, that “all things bright and beautiful, all creatures great and small, all things wise and wonderful”, You, “the Lord God made them all”.

Your Word the Bible tells us that when You made the various stages of creation, You looked at them and said “They were good”. Because of mankind’s rebellion against You and their disobedience in Your original garden of Eden, they brought death upon themselves and Your creation came under Your curse so what we see today, beautiful as it is, is not as You originally intended it to be.

To us, however, it is still very attractive and stands testament to You, the Master Designer and Glorious Creator. Help us we pray to see You in the intricate detail of creation and to give You the credit for it all as You deserve. We ask in Jesus’ Name, Amen

Donation from West Australian Trout & Freshwater Angling Association (WATFA) to St John Pemberton

On 1 June 2019 the Angling Association made a very kind donation to St John Pemberton to go towards a new ambulance.

The fishing association was established in 1967, has approximately 160 members and comes to the Pemberton area 2 to 3 times a week to fly fish for trout and red fin perch.

President, Stewart King and Secretary Sean explained that they would like to support community groups in Pemberton and would like to raise their profile in our town. They would love to make contact with any landowner with a dam or waterway who would be willing to have their water source stocked with trout so that members could fish there when possible.

Ken Lawrence, the Vice chairperson and Development officer accepted the cheque and said that St John Pemberton are looking at putting more AED’s in the community, whether partly or wholly funded as well as saving for a new ambulance to replace our aging vans.

Ken explained that St John Pemberton is committed to having AED’s as accessible as possible in our community. He also urges anyone who hasn’t completed a First Aid course recently to consider doing so, as the first few minutes after a person becomes ill are vital and the ambulance is 10 to 15 minutes away, if you are in the township.

St John Pemberton is always happy to welcome new volunteers, whether in a support role, committee member or as an on road officer.

If you would like some more information you can contact us by:-

Email: pemberton@stjohnambulance.com.au

Phone: 0439 762 042 to have a chat to our friendly development officer Ken

or you are very welcome to come along to our training nights which are held on the 3rd Monday of each month, at the ambulance centre in Hospital avenue (next to the CWA hall) at 7pm

Maintaining a healthy balance at work

October 10 marks Mental Health Day, a day for global mental health education, awareness and advocacy. Working is generally considered to be a good thing for our mental health. It provides us with a livelihood, structure, social interaction and a sense of achievement. However, the Mental Health Commission estimates that between 15 per cent and 30 per cent of workers will experience mental health problems at some point in their career.

Staying mentally healthy in the workplace means putting coping strategies in place and making sure that our lifestyle supports good mental health.

Be active

The physical benefits of daily exercise are well known but exercise is also important for our mental wellbeing. It can decrease depression and anxiety and contribute to preventing dementia. Being active also improves our mood, contributes to feelings of self-worth and makes us happy.

Make healthy choices

When things get tiring and stressful at work, our inclination is to try to push through or to reach for artificial stimulants like alcohol, nicotine, caffeine or sugar. When we are feeling a little blue, we might also be tempted to 'treat' ourselves with unhealthy snacks and foods. When the going gets rough, our best option is to choose nutritious meals and snacks that will maintain blood sugar levels (preventing highs and lows) and nourish our bodies.

Relax

Finding ways to deal with stress at work is essential. Whatever it might be - meeting friends in your lunchbreak, going for a walk around the block, going to a yoga class after work - make time for it no matter how busy work gets.

It's also important to work regular hours and take the breaks and holidays we're entitled to. If things are getting too much, book a day off or a long weekend. And don't forget to laugh with workmates. Research shows that laughter can boost our immune system, ease pain, relax our bodies and reduce stress.

There are some excellent resources available to create a workplace environment that supports good mental health. For more information visit www.healthierworkplacewa.com.au.

Vale Hon David Evans AM

I pay my respects to the late Hon David Evans AM who passed away on 3 September 2019. David Evans was the Member for Warren from 1968 to 1989 and held ministerial positions in the Tonkin and Burke Governments. He was awarded a Member of the Order of Australia in 1993 for his service to the Western Australian Parliament and to agriculture. Dave Evans' life contributions were recognised in a respectful funeral service in Manjimup, where he has been laid to rest.

Super Kids – Super Heroes

I am hugely impressed with the actions of local 'Super Heroes' who rode 600 kms on scooters to raise awareness and funds for the 'Super Kids' dealing with childhood cancer. Parents and friends of children affected by childhood cancer rode in their super hero costumes from Bridgetown to Augusta, through Bunbury and Rockingham, culminating in a joyful gathering at the Perth Children's Hospital. Well done to all involved. You have my hugest admiration.

Voluntary Assisted Dying legislation

This is possibly THE most important legislation I have dealt with in my 14 years in Parliament. As such, I have been actively participating in Parliamentary debates and analysing each section of the Bill. Such significant legislation deserves considerable scrutiny, which has resulted in some long and late sittings. Whilst I support the Bill, I want to ensure safeguards are robust enough to protect vulnerable people, and that people in regional areas will have access to this intervention if that is what they choose. Whilst it is at times challenging, this is a unique opportunity to examine legislation that will make a significant difference to people's lives.

Denmark Water Crisis

I accept climate change is affecting rainfall, particularly on the south coast and believe it is vital we secure water sources. What I find hard to fathom is the sudden announcement of \$7 million to cart water to Denmark and a \$32 million pipeline with no community engagement. Given the Denmark community is environmentally aware and water conscious, having one of the State's lowest water consumption rates per property, it is essential everyone is included in the discussions.

SAINT JOSEPH'S SCHOOL NEWS

'Options Programme' at Saint Joseph's

At St Joseph's, we have a strong commitment to exposing our students to a variety of different learning opportunities. One of the ways we do this is by offering our students' an opportunity to learn new skills and knowledge in our Options programme. The students are placed in multi-age groups and engage in their chosen option. This year options were racquet sports, wool weaving, mindfulness, artist in residence and skipping skills.

Father's Day Breakfast

On Friday the 30th August, we hosted a fantastic Father's Day breakfast. It was a great morning where the students had an opportunity to sit down and have a cooked breakfast with their Dad, Grandad or uncle. All the staff and students at St Joseph's School would like to thank the parents who helped on the morning and the Dads, Grandads or Uncles who came along.

SEPTEMBER AT PDHS

BOOK WEEK

PEMBERTON DISTRICT HIGH SCHOOL

The 'World of Maths' incursion was a huge success across our school. 'World of Maths' is a unique traveling maths show that provides fun, colourful and hands-on mathematical problem-solving activities. Students were completely engaged with the activities presented right from the beginning, and displayed the respectful, inquisitive nature that is so prevalent here at PDHS.

Author and illustrator, Kelly Canby, visited PDHS for Children's Book Week where she ran creative writing and drawing workshops with our Primary students, along with students from St Joseph's. Ms Canby provided a reading of two of her books, 'The Hole Story' and 'Rodney', then led a hands-on creativity workshop. Our students had an absolute blast learning about the book creation and publication processes.

Footy Colours Day was a tremendous success. Students made a gold coin donation to come to school decked out in the colours of their favourite sports team. Recess saw our school enjoying a fantastic Bake Sale, made possible by the generous donation of delicious treats from families and community members. At Lunch, Southerners Coach Shannon Wilson ran an exciting footy competition which our students thoroughly enjoyed. It was an amazing event organised by the Student Council, and our students raised over \$340 for the Fight Cancer Foundation which provides support to kids with cancer.

The last week of Term Three has seen our Secondary students representing PDHS in Perth for the District High School Country Week, where they are competing in Volleyball and Badminton. They have displayed outstanding teamwork and sportsmanship throughout the week, representing our school and town with great pride.
