Pemberton Community News

I saw this on FB sometime ago and thought it was pretty funny. Yes it is, but then again no it's not, with cases now having

jumped borders up and down the East Coast. I guess if I had my way I would be sitting at home on the block and not going anywhere. I took my first drive to Perth a couple of weeks ago, did the rush around and back home, and yes while we live in a state where there are no active cases of COVID-19, there didn't seem to be any thought or consideration

taken for "SD", social distancing. Unfortunately I had to visit a GP's office and a Dental surgery, and found myself having to step away from people at counters. One older fellow (yes, older than me) decided to stand so close to me that I immediately felt uncomfortable. I understand that he must have thought I was not in the line as I was standing so far back from the counter that he figured he could push me forward. So here we are living in paradise, all safe and sound, but we need to be vigilant all the same.

Customers coming through the CRC and the PVC are great and it is good to see them all doing the right thing by using the sanitisers provided. And hasn't it been great to see the visitors coming into town and filling up our local businesses, staying in accommodation that is such a high level, and being treated to tours by all our fabulous tourism and business operators. Thanks to you our little town has been ticking over. So many visitors have been coming into the PVC and telling us that they haven't been here for 15 years, that they were here on their honeymoons and haven't been back since, that they used to come here as kids and haven't returned until now. This is all due to COVID-19 that we have all these visitors coming to and returning to Pemberton where they would normally have trotted off to Bali. In the words of one visitor at the front counter, "Bali is closed, so we had to go somewhere". And we are so glad that they have chosen to visit us, through the winter months, and take home some great memories to be shared with family and friends.

One of my friends, snuck into town last week for her 70th birthday. Why? Because one of her friends had been here just recently and told her that she would love it. And she did! She tried to surprise me by being all secretive and not letting me know she was here until the last minute, and it was brilliant to have her and her partner in our home for a meal and hear how much she was enjoying her stay in Pemberton. Our opening hours page in the PCN is constantly changing and we thank all our businesses for being patient with us as we continue to ask for your updated details. The process will be refined, but this is a great opportunity for you to keep a copy of the PCN in your chalets, hotels/motels to keep your customers informed of what is available and open for business. WA is doing well, and we want to keep it that way.

Targa South West Tarmac Rally

Yep! ...it's that time of the year again when we will be hearing the sound of high-powered machinery reverberating through the forests driven by drivers keen to better their times of last year in the Targa South West rally.

This is not a Mary Poppins type event where we have dashing young men in their flying machines but a serious tarmac rally with some amazing machinery driven by highly skilful pilots. I am sure we can wax lyrical about the heavy scent of ethanol in the early morning air but this is motor sport as it is meant to be conjuring the early days of motor sport contested at a local level by enthusiasts who you can actually talk

to about their ride whilst drooling over their choice of weapon for the day's fun.

As with all events of this calibre it requires a dedicated group of organisers plus a strong bunch of helpers to assist as marshals on Saturday 8th August in the 4 various stages that the rally is run being Big Brook Dam, Pump Hill, Pemberton – Northcliffe with the Town stage being the final event in the afternoon. The action is continuous throughout the day so there is much to see with the different levels of difficulty in the courses. Please go to www.targawestrally.com.au to find a comprehensive programme of the events and if you wish to be involved and lend a hand please go to <https://www.targasouthwest.com.au/officials/officials-registration/> where you can register your interest in helping on the day. We Hope to see you there, it's a fantastic day of motor sport and social occasions for the whole family to enjoy.

Marketing

Seems we are all going to be TV stars again. Well not exactly in poncing across the screen like gene Kelly with a parasol doing the Singing in the Rain type manner, but the region is about to explode on to the little screen once more courtesy of the Visitor Centre entering into an advertising campaign with GWN to spread the word about our little patch of paradise. An initial campaign for three months due to start this month will remind travellers just where to visit now West Aussies are freeth move around the state. To cover all bases an extensive Social Media campaign will also be run parallel to the television advertisements.

One might ask why is this necessary after June and July bringing large numbers to the region following the roads being opened, but pointers indicate that the initial rush is beginning to slow. This nudge to those contemplating a holiday will serve to keep visitation to the region as high as possible. It has certainly been busy of late with most run off their feet after the lock downs and the sound of cash registers ringing in the street has been a welcome tune to the previous silence we experienced. We would also expect that this campaign will run into the warmer months when those who would normally escape overseas will see the South West as a cool alternative with copious nature to enjoy.

Like most, we must admit to enjoying the peaceful break during the initial lock down however the onrush of visitors to the town and the vibrancy they bring is most welcome in getting the wheels of the local economy turning once again. We can only shake our heads as we watch from a distance as the problems in Victoria are beamed into our living rooms. Certainly, the behaviour of some leaves you speechless and hope we never get to live this nightmare locally.

Whilst this is not a political rag, I have yet to speak with anyone apart from those outside our safe WA bubble trying to get in, who are not chuffed with the way we in the West have handled the pandemic. Certainly, the strength of leadership as displayed by our government and the community willingness to accept this lead has provided us with the safe bubble we currently enjoy. Let's hope it stays this way and the likes of Palmer & Co are denied the self-indulgent bid to breach the security of this state. The likes of these have reputations in wrecking and despoiling everything they touch so hands off buddy!

PEMBERTON CAMP SCHOOL UPDATE

Fairbridge Camp School

As our official reopening date draws closer (28th of July) things are starting to get moving at the Fairbridge Camp Schools. Here's a bit of what's been going on this month:

Helping young people & families get outside

In July we hosted several family groups holidaying in Pemberton for its fantastic outdoor spaces. Including a family that showed up and booked a mountain biking session that same afternoon.

As we get back to being fully operational, we are discussing more ways to develop the Camp School as a space for families and young people to come to and experience the great outdoors through our facilities. We are working on ways to engage both the local community and people looking for a Trail Town getaway.

Staff Training

As a Registered Training Organisation Fairbridge offers many training opportunities to our staff & students at the Fairbridge College school (Campuses located in Pinjarra and Kalgoorlie). We offer several Certificate courses; Outdoor Leadership, Hospitality, Conservation & Land Management just to name a few.

This Semester 5 of our junior Outdoor Education staff members completed their Certificate III in Outdoor Leadership, including Pemberton-based instructor Leanne. Statements of Attainment for individual units were also issued to other employees.

Our Outdoor Leadership program allows students to specialize in many different outdoor pursuits preparing them well for the large variety of activities we run across our different locations and giving them a competitive edge in the industry.

Leanne and I delivered part of the hands-on training here in Pemberton; spending three days teaching a group of staff about how to identify hazardous trees & apply technical mountain biking skills.

Preparing for the Busy Season

The rest of the year is looking very busy for us with activities happening every day across the six Camp Schools. This will keep our Outdoor Education team busy, with some instructors travelling to a different site each week! I have been busy putting together programs for the influx of bookings and am returning to full time on the 10th of August. We do still have room to take more school and weekend bookings though.

Our Pemberton Heritage and History Group was recently asked if we knew of any places in our area named "Woop Woop"? I had heard mention of it before and on further investigating and asking one of our trusty nonagenarians (this is the name given to one in their 90's), Fred Wellburn, I discovered it was true.

Woop Woop was the name given to the area of Group Settlements No 89 and 90 that were settled near the junction of Stirling Road and Channybearup Road. The school there was referred to as 89/90 and a plaque marks the spot.

In the late 1920's and 30's the local soccer team (aussie rules were still evolving) were called the Woop Woops and by all accounts they were a team to be reckoned with.

Whooping frogs abound in that area. Check out frog calls on Google.

There is a wealth of knowledge, information and memories still available from our senior citizens. They love to be asked and please record or pass on interesting snippets of our Pemberton's rich history.

MILL HALL NEWS

The new floor in the Mill Hall is laid and still resting. There was a busy bee held recently over two days to do a spring clean. It now looks like a new pin!

Thankyou to the Pemberton residents and past residents who donated money towards this new floor. This has been a wonderful community project and a huge one for such a small Mill Hall committee.

There will be a celebration of this accomplishment some time in the future.

Dances are cancelled until further notice.

Stay safe, clean and wise in the coming months.

SHIRE OF
MANJIMUP

Manjimup • Northcliffe • Pemberton • Walpole

Public Notice
Local Government Act 1995
Proposed Shire of Manjimup
Health Local Laws 2020

The Shire of Manjimup proposes to make a local law with regard to the public health of the district.

The purpose of the proposed Local Laws is to provide for the adequate regulation of public health throughout the Shire of Manjimup.

The effect of the proposed local law is to repeal existing local laws and require all persons with the Shire of Manjimup to comply with the provisions of the new Local Law.

A copy of the proposed local law may be inspected at or obtained from the Shire's Administration Office at Cnr Rose and Brockman Streets, Manjimup, between 8.15am and 4.30pm Monday to Friday, viewed on the Shire website at www.manjimup.wa.gov.au/publiccomment or at any public library within the Shire of Manjimup during normal opening hours.

Submissions about the proposed local law may be made to the Chief Executive Officer, Shire of Manjimup, PO Box 1, Manjimup, WA 6258 or by email info@manjimup.wa.gov.au by 4:30pm, **Friday 14 August 2020**.

Member for Warren-Blackwood

Working with regional communities to create a better future for families, businesses and towns.

DFES Code of Conduct

The Department of Fire and Emergency Services (DFES) has introduced a new mandatory code of conduct for the State's emergency service volunteers. It includes a clause that prohibits DFES volunteers from contacting or communicating with State and Federal Members of Parliament over 'departmental business'. While I agree with codes of conduct that reflect ethical and professional standards, I don't accept any member of our community, least of all an emergency service volunteer should be gagged from talking to their local Member of Parliament.

I have received many calls from volunteers angry at this clause with some threatening to leave these organisations. Our communities rely on volunteers to assist with marine rescue, SES and fire responses and we should be doing everything we can to support them in their voluntary efforts.

Tourism in COVID times

I haven't come across one constituent in my electorate who wants to see the hard border into Western Australia lifted, and most people hold the same view as me that the State Government has done a good job. We are fortunate that tourism is now getting a timely 'shot in the arm' with intra-state visitors to the South West at an all time high for this time of year. Uncertainty about the future still remains however, with small business reluctant to put on extra staff, and a renewed focus on managing cash-flow given the extended down time in recent months. Any advice or viewpoints into my office is welcomed as to what Government (State and Federal) should do as we go into the next few months.

Power Outages

While power outages due to storm activity is understandable, it is vital extended outages do not compromise the emergency communications systems. We need to ensure the mobile phone system has resilience, especially during storms or bushfires. I have called on the Minister for Emergency Services to take ownership of the issue and secure a strategy to address the devastating impact a mobile service breakdown could have in an emergency situation.

THE NATIONALS for Regional WA

This month you will find a brilliant write-up on the Pemberton Gardening Club on page 27. The Gardening Club is an extension of the Vic Conte Community Garden which Charles Otway has been organising and it is working a treat.

The Vic Conte Community Garden is looking a picture, all tidied up and ready for spring planting and we hope that everyone gets the opportunity to join with us in spending time in this wonderful resource. We are always looking for volunteers, that's nothing new in a small town, although it seems we have lost some along the way and it would be great to see you back. Newcomers are always welcome, and who knows the Garden Club could be in your garden soon.

We would like to thank everyone for taking the opportunity to advertise in the newspaper over the past couple of months, and trust that our accommodation providers are using the PCN in their chalets to help our visitors plan their time with us and support our local businesses. The free advertising which is through the support of a Lotterywest grant, will be available for the September issue also. The more that get on board the better for everyone. Come and talk to us to make sure you get all the support you need at this time.

There have been times of sadness over the past few weeks, with the tragic loss of our friend Verrell Herbert. We know more will be more said in the next edition of the PCN, but we felt it appropriate to say how much Verrell will be missed here at the CRC. Verrell and Ros have always been willing supporters of the CRC and Pemberton, and we send all our thoughts and love to Ros during her own recovery, while dealing with what is the worst time imaginable. See you back in Pemby soon Ros.

The Pemby CRC is working towards running our major event for the year, **WOW Pemberton**® 2020, in early November. We have had to postpone a couple of times, the second to take into consideration the AFL Grand Final in October this year. Septembers PCN will outline in more detail just what we will be up to, or more to the point, what you will be up to. TENINA, from Cooking with Tenina will definitely be with us (and no you don't need to own a Thermomix), along with art classes by our own talented TONY WINDBERG. We will have other workshops happening, which we are still to confirm. Looking forward to it, and hoping that you can join us for another **Weekend of Workshops WOW Pemberton**® 2020

Make Smoking History Targa West is a SMOKE FREE EVENT

#pleasehelpmequit

"Please don't smoke around me."

Smoking around friends and family while they're quitting makes it much harder for them to stop. In fact, it's one of the biggest reasons quit attempts fail. makesmokinghistory.org.au

MAKE SMOKING HISTORY

WHERE TO ENJOY THE ACTION

SECTATOR POINT A - BIG BROOK DAM STAGE

8.30am to 11.20am

Stage run twice in each direction, South to North up to Big Brook Dam before returning down the hill. Roads are closed between 7.30am and 11.50am

SPECTATOR POINT B - PUMP HILL STAGE

11.05am to 11.45am
1.05pm to 1.45pm
2.40pm to 3.20pm

The Pump Hill stage is run three times and starts next to the Service Park next to the Sports Oval on Club Road. Roads are closed between 10.00am and 3.30pm, however they will be opened to local traffic between runs.

SPECTATOR POINT C - PEMBERTON TO NORTHCLIFFE STAGE

11.15am to 11.45am
12.15pm to 12.45pm
1.15pm to 1.45pm
2.15pm to 2.45pm

The most spectacular stage in the entire rally is run 4 times. Starting with Pemberton to Northcliffe, before returning to Pemberton. They then repeat again. Roads are closed between 10.00am and 3.20pm

SPECTATOR POINT D - PEMBERTON TOWN STAGE

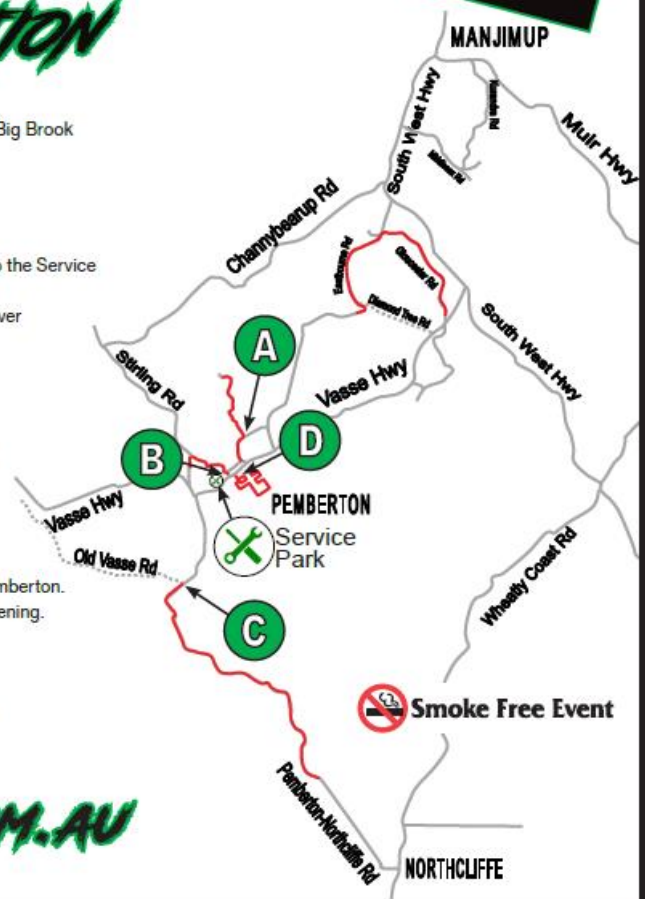

4.30pm to 6.30pm

A number of locations are available to watch from in Pemberton. The stage is run three times and will go into the early evening. Roads are closed between 2.30pm and 7.00pm

SERVICE PARK - PEMBERTON SPORTS OVAL

8.00am to 7.00pm

Located on the Pemberton Sports Oval (off Club Road). See the cars as they are maintained between stages.

THE FOLLOWING DIAGRAMS SHOW AREAS THAT ARE CONSIDERED TO BE UNSAFE

NO STANDING AREAS ARE SHOWN WITH STRIPES

Use this guide to ensure safe viewing in areas outside designated spectator points

SPECTATING SAFELY

DON'T...

- * Stand on the road
- * Stand below the level of the road
- * Sit close to the road
- * Stand in front of fences or objects preventing you from moving quickly
- * Stand in front of signs or arrows
- * Remove rally signs or arrows
- * Be distracted

ALWAYS...

- ✓ Stay ALERT and expect the unexpected
- ✓ Stand in a safe location
- ✓ Listen for approaching cars
- ✓ Remain alert
- ✓ Leave yourself room to move quickly
- ✓ Keep children under supervision
- ✓ Obey rally officials
- ✓ Help the officials to run a safe stage

BE SURE THAT...

- The unexpected can happen

PLEASE PROTECT

- Yourself
- Others around you
- Other people's property
- Wildlife and flora

SAFETY IS OUR #1 PRIORITY

SPECTATOR SAFETY

STAGE CLOSURE AND OPENING

Make Smoking History Targa South West has permission from the local government authority and the Commissioner of Police to close the roads for competition. All roads, gates and driveways leading onto the rally stage need to be closed off by manning, taping and tagging.

To ensure the safety of the public, officials and the crews the following procedure will take place.

- Before the road closure time, unused gates will be tagged.
- At the road closure time the roads will be closed and officials will begin to tape and tag all driveways and gates.
- Before the rally starts each stage, Official Car 000, will inspect that all roads, gates and driveways have been closed.
- Official Car 00 will then check that all officials and the public are in a safe location.
- A few minutes before the stage starts, Official Car 0, with flashing lights and sirens will be a warning that the stage is about to begin.
- The Challenge Category (cars without roll cages) will start competing.
- After the Challenge Cars, the Competition Rally Cars will then compete.
- They will be followed by the medical team, Official Car FIV, to check on the safety of the stage.
- Once all competition is finished, Official Car SWEEPER with a **GREEN FLASHING Light** will then traverse the stage notifying Officials to open up roads, driveways, gates and remove Chicanes from the road.
- The road will then be opened to the public.

Monthly prayer

Dear Father God,

In the midst of all that is going on around us, we are sometimes tempted to complain and bemoan our lot. But we want to pause and reflect on how great You are and how much You have given us. For those of us in good health we thank You. We are grateful that we live in a land where our medical system is the envy of much of the world. We want to pray for those for whom a visit to a doctor when unwell is not an option either because there is no doctor or paying the fees is out of the question.

For the food we receive in abundance, we give You our heartfelt praise. In Australia we need never go hungry, and yet our thoughts and prayers go to those who are living on edge of starvation with little or no prospect of finding food.

Power comes to us at the flick of a switch and water from the turn of a tap. We think of the many who walk many, many kilometres just to get a bucket of water which even then is frequently contaminated. We pray for them.

We thank You for the homes in which we live and pray for those who are homeless or who have nothing to provide shelter from the elements.

Forgive us, Father, that we are often so ungrateful for the many blessings in life that we receive. Help us to remember that all we have and are and the things we experience day by day come from You, the Giver of every good and perfect Gift.

Most of all we thank you for Your Son, Jesus, who came from His Glorious position in glory with You to come and live amongst men and women and then die in our place so that He might offer us forgiveness of sin (our evil-doing), His presence with us each day and ultimately a home in heaven with You for eternity.

For all of these things and many others we want to say thank You so much and we offer that thanks in Jesus' Precious Name, Amen

Smile,

breathe
and go slowly.

~Thich Nhat Hanh

Elena Rossi RN, RMT, CST-T

Hi everyone,

What a busy month! The relaxing of restrictions has brought a wave of visitors back to our region - and plenty of bike riders - which is great to see.

A recent major accomplishment is the installation of signage throughout the mountain bike park. 60 hand painted signs have been positioned across the network which will help significantly with way-finding, while also adding some quirky character to our trails. We would like to send a huge thank you to the year 7-10 students from Pemberton DHS for your masterpieces, and to Mark and Melina for helping put the signs out.

The bridges on Skills Loop have received some finishing touches and are ready to ride! The TTF Track has also seen the addition of a seesaw feature installed, keep an eye out for that one. Great work by all involved.

Recent bad weather and heavy rain has caused some havoc on the trails, so maintenance work has mainly focused on drainage in the mountain bike park and removing various limbs and trunks that decided they'd had enough of living sky-high.

We are also working our way through clearing built-up debris off the trails; Wahoo, Cool Running, Down Dale, Drop Bear and the trails near the pool (Skills Loop, TTF and Railway Run) are all looking nice and fresh. Please remember to ride with caution and look ahead for any hazards while we try and get to every trail.

Our social rides are still on every Saturday and Sunday mornings, with an open invitation for anyone to join. We will have memberships available soon now that the new financial year has started, but if you have any queries or would like to know more, please feel free to get in touch.

Until next month, keep those wheels spinning and smiles grinning!

MTB ride - Saturday 8am, Pemberton Pool carpark
Road bike ride - Sunday 7.30am, Crossings Bakery

The Pemberton Food Gardening group has been busy over winter helping our members get their garden on and getting stuck into the Vic Conte Community Garden. In May we visited Pete and Wendy's place to create and fertilise some garden beds and plant winter crops. They have lots of shade in the yard in winter so finding the right sunny spot for growing winter veggies was an important start. Their snow peas are the fastest growing I have ever seen (this photo was 2 months after we planted the seeds), so must love the trellis on the fence in the winter sun.

In June we headed out to Susanne and Aaron's new place on Placket Dr to help get their garden going. We moved a load of soil and learnt how to newspaper mulch old weedy soil and build a no dig garden bed on top for the veggies to grow in. The idea being we bury the weeds and weed seeds under 15cm of weed free new soil and then avoid cultivating the bed in future (the no dig part) so the weed seeds stay buried. Finished crops are just snipped off leaving the roots in the soil to help fertilize the beds. They are planning a food forest in the larger open space above their home so no doubt we will be back there in Spring for some how to food forest workshops.

July saw us giving the Vic Conte Community Garden some well overdue love. We removed old weedy crops, filled up the slow compost bay, moved around some perennial vegetables and refurbished the strawberry beds. We also gave the citrus a hard cut back as they were nearly killed by scale (and the ants farming them) over the Covid lockdown period. Check out these before and after photos or head down for a look in the flesh and while you're there grab some clumping leeks for your own garden.

On August 16th we will head to Katrina Zemke's house to learn about compost tea making and see how she is gardening on heavy clay soils with great results. Katrina is a great experimenter so she has lots of success and failures to share with us. If you would like to come along, jump on the facebook page or give the CRC a call on 9776 1745 to get the details.

Spring is ready to pop out there and it is the BEST time to grow food, so if you want to start gardening, learn a few things or share your success with the Pemberton Gardening group please come and join us. We meet on the third Saturday of each month so pop it in your calendars and get in touch and we will keep you in the loop via email or check facebook here - <https://www.facebook.com/groups/2397297890596542/>

We want you at the **Pemby Food Gardeners group and Vic Conte Community Garden**, make the time to enjoy the gift of gardening and great company this year. Charles Otway

SAINT JOSEPH'S SCHOOL NEWS

Spelling Bee Fun

at St Joseph's

At the end of Term 2, St. Joseph's held its very first Spelling Bee. All students in Years 3-6 competed in the Spelling Bee dressed in style. The Spelling Bee was held on the same day as our whole school Pyjama Day, so the students appeared extremely relaxed. The Pyjama Day was a reward for the students after their consistent positive attitudes and behaviour throughout the term. During the Spelling Bee each student showed off their sensational spelling skills as they attempted to spell a range of tricky words. If they spelt each word correctly, they moved to the next level. The competition was tough with all students giving their absolute best. We would like to congratulate our Spelling Bee winner Isabella Ng (Year 6) and our runner ups Shelby Bendotti (Year 4) and Amelie Windberg (Year 6). They all did extremely well and achieved excellent

results in what was a fierce competition. The Spelling Bee was a fun and educational way for our students to engage in spelling and we had a blast!

JULY AT PDHS

Alice In Wonderland

Last term, the High School Drama class had a wonderful time making a movie version of Alice In Wonderland. They used some improvisation and applied their acting skills

in the production and the Year 6's were very excited to be included in two scenes. The school is looking forward to rolling out the red carpet for the movie debut and celebrate this achievement by Mrs Brooks and her students.

Above: Alice In Wonderland

Spellademic

The following students have been selected to represent PDHS to compete in the Spellademic to be held in Manjimup on August 13. These students have been chosen because they are the best spellers in the Primary School and we wish them all the best in this interschool event.

Front row—N Jackson, L Gilbert, S Belton
Back Row— R Gill, A Smith, A Cross

Above: "The Emu"

"The Emu"

New PDHS resident, "The Emu"

Last term, Mr Hughes worked with a small group of high school students in Design and Technology to create a new garden feature, "The Emu". With the help of Dan Lister, this emu now stands guard along the pathway entrance to PDHS. The emu may begin to multiply over the next few terms, so look out for some additions to the family.

With thanks to our sponsors:

Accessing Government Information
 For **STATE** government access, there is a free
 Government Information Access Portal at the CRC
 (a dedicated PC and printer access).
 For Federal **Department of Human Services**
 government access, such as Centrelink and
 Medicare, there is a dedicated PC (next to the
 Centrelink fax machine). So if you have
 government-related business to do or information
 to find, you can do it at the
 Pemberton Community Resource
 Centre for free.

Shire President's Message

\$428,364 is available to assist people living in the Shire (both permanent and itinerant) to alleviate any hardship that is being felt due to COVID-19.

They included:

- Walpole Pioneer Park toilet refurbishment.
- A new toilet block near the Pemberton Mill Hall.
- An accessible pathway upgrade from Rose Street to Moore Street in Manjimup.
- Free Wi-Fi in Pemberton, Northcliffe and Walpole.
- Accessibility upgrades in shire buildings.
- Pathways and furniture at Quininnup dam.
- A pathway from the Northcliffe Recreation Centre to the CBD.
- An air conditioner upgrade at the Manjimup Regional AquaCentre.

We will know in the next couple of months whether the submissions have been successful.

Until next time stay well and safe....Paul

Sad Passing of Former Councillor Verrell Herbert

It is with great sadness that we acknowledge the passing of former Councillor Verrell Herbert as a result of a car accident near Pemberton on 18 July 2020. Verrell was a Councillor from 2015 to 2019 and was a strong and dedicated advocate for the West ward. We pass our sincerest sympathy to Rosaline and family and wish Rosaline well in her recovery.

COVID Relief Fund

Do you or a friend need a helping hand? Are you putting off paying bills or worried about the next one?

Through the generous support of Lotterywest, the Shire of Manjimup has now opened applications for the COVID-19 Relief Fund.

Manjimup Art Gallery - in the news!

Yvonne Ardley of GWN7 News recently visited the Art Gallery to do a story on the latest exhibition 'A Portrait of Australia: Stories through the lens of the Australian Geographic' the exhibition celebrates the bush, the outback, the coast and the people who live there.

It is a travelling exhibition from the National Museum of Australia developed in collaboration with Australian Geographic.

Project Grant Submissions

As criteria to receive \$912,987 in funding from the Federal Government's Local Road and Community Infrastructure Program and the 2020-21, Council, at its meeting on 16 July 2020, voted on eight projects to be funded.

Access the Shire of Manjimup COVID-19 Relief Fund

www.manjimup.wa.gov.au

We are all in this together.

Corporate Business Plan 2020-2024

The Shire has developed a new Corporate Business Plan 2020-2024 to provide direction to Council as we strive to achieve the community's vision, desired community goals and strategies, as detailed in the Strategic Community Plan 2019-2029.

Not only does it translate the strategic direction of the Shire into actions at the operational level it demonstrates the Shire's capacity and ability to achieve the aspirations of the community, over the medium term.

A recent minor review of the Strategic Community Plan has resulted in the Corporate Business Plan being amended to reflect and respond to the community's goals and priorities.

The Plan can be viewed on the Shire website.

A PORTRAIT OF AUSTRALIA

STORIES THROUGH THE LENS OF AUSTRALIAN GEOGRAPHIC

Discover the remarkable stories of ordinary Australians in this exhibition celebrating the bush, the outback, the coast and the people who live there.
